

A summer meeting with a twist.

Need to bring your team together to meet in July or August?

Summer is a great time to drive team spirit, while fostering collaboration and learning that you can bring back to the office. With bright open spaces that inspire creativity, some afternoon sunshine, and Chef Murray's much talked about BBQ menu – there's no better way to get work done in the summer.

Our DMP Meeting and BBQ lunch package runs through July and August. As always, our all-inclusive experience offers delicious all-day dining, your own dedicated Conference Planner, free Wi-Fi and parking – and we're gratuity free.
